Sir

I am in receipt of your letter Dated 7.6.20 informing me that you have issued to the Patel of Kadaipoor not to pay their rents since the Kengeri Chattram was in disrepair and since no one has come forward to repair it. The reply comes to me as a surprise. I do not know how you can have forgotten the recent occasion of the inspection of Diwan Bahadur Raghunatha Rao's chattram at Bangalore by me R. R. Srinivasaiengar member of Council, the Mysore Secretary and me Aravamudan Iyengar, Deputy Comr., at which you were also present, as well as my letter as representative of the Brahmans, under written orders of both the Mysore Secretary and the Dy Comr. You may remember the question of the ways and means for the Completion of the Bangalore chattrams were discussed, one of which was to sell the Chattrams at Kengeri and to withdraw the Cash proceeds for the Completion of the Bangalore chattrams. I believe a report in this matter is done by you to the Dy Comr who also told me so. In these circumstances I do not know how you can say that as no one has come forward to repair the Kengeri chattrams, you have ordered stoppage of rent. [illegible]
At least you ought have communicated with me

before passing this order. Sir, it is apparently not formally denied. I state that I am the person entitled to the Grandom of Karlapam and entrusted with the management of the Chettinad Estate at Kengeri. I request you to cancel this order to the Sheikdar.

Sir, I am respectfully of the opinion that your order prohibiting the tenants from paying their rent to the Grandar is an infringement of the Grandar's rights not warranted by law. I shall feel obliged by your kindly referring me to the provision of law under which you have acted in passing the prohibitory order.

R e a d:--

Correspondence ending with letter No.H.C.585 of 19-20, dated 23rd July 1920, from the Deputy Commissioner, Bangalore - District, reporting on the subject of improvements to the Chatram built by the late Dewan Bahadur Raghunatha Rao at Bangalore.

2. Letter dated 21st December 1920 from Mr. Krishnaswami Rao, Agent, Dewan Bahadur Raghunatha Rao's Chatram at Bangalore, stating that he has no objection to carry out the necessary repairs and alterations to the chattram, according to the plan and estimate prepared by the Assistant Engineer attached to the Muzrai Department, except to the back verandah of the Chatram; and requesting that 18 months' time may be allowed to him for carrying out the above improvements, etc.

--

Order No.2609-13/Muz.354-19-6 Dated Bangalore, 3rd February 1921.

The Chattrams built by the late Dewan Bahadur Raghunatha Rao at Siddikatte in the Bangalore City and at Kengeri were endowed with Inam lands to an extent of 65 acres and 15 guntas at Kerlapur, a hamlet of Sonnenahalli in the Doddaballapur Taluk. On the representation of Mr. Raghunatha Rao in 1905, that Siddicutta was not a suitable locality and that he would build the chattram if a site were granted ~~xxx~~ in a healthier locality, Government granted at first a site opposite the City Institute, free of cost and subsequently in April 1910, the site for the new building was changed and the land known as "Chikkanna's Garden" measuring 2 acres and 34 guntas was acquired by Government and granted to the Dewan Bahadur and was taken possession of by his agent Mr. C.Raghunatha Rao in May 1910.

2. A pakka terraced building estimated to cost Rs.12,000/- was to be erected on the site; according to a plan approved by Government. The old chattram building was also authorised to be disposed of on the condition that the sale proceeds were utilised for the new building -

building, the excess if any, required for the completion of the - building being supplemented by the Dewan Bahadur. The Deputy Commissioner was directed to see that the new building was started as early as possible and completed in a satisfactory manner within a - reasonable time.

3. On 27th May 1915, the Honorary President of the Municipality brought to the notice of the Government that the terms of the grant had not been fulfilled, though 6 years had elapsed, the building had been left in an incomplete condition the plan had been deviated from and the sanitary condition of the premises was so unsatisfactory as to become a source of danger to the neighbourhood.

4. Mr. K. Vasudeva Rao, a nephew of the late Dewan Bahadur and the trustee of the Chattram, who lives in Koilody, Tanjore District, though repeatedly written to, has been only promising to do the needful to complete the construction, etc, but has done nothing till now.

5. But as Mr. Krishnaswami Rao, the Agent of the representative of the late Dewan Bahadur now states that he will make the necessary improvements to the Chattram except the construction of a back - randah in eighteen months, Government are pleased to allow Mr. Krishnaswami Rao a year's time to effect the necessary improvements as indicated by the late Assistant Engineer that he has undertaken to effect.

6. The Deputy Commissioner will report in the first week of - January 1922. whether the improvements have been executed satisfactorily.

---

"With reference to your No.C.660 dated 6/7th February 1922 asking to inspect the late Dewan Bahadur Raghunatha Rao's chattra and submit a report, I have the honor to state that I inspected the chattra with the Amildar of Bangalore Taluk on the morning of the 18th instant in the presence of Mr. Hari Rao, grand-son of the brother Mr. Hari Rao of the late Dewan Bahadur Raghunatha Rao. Since December, two rooms in the front portion and two rooms in the court-yard have been put up by - raising walls and putting up the roof. The flooring and the plastering of the walls now remain to be done and Mr. Hari Rao promises that he will complete the work by the first week of March. I obtained a copy of a plan of the building from Krishnaswami Rao and the building as put up appears to deviate only slightly from the plan.

2. The file of papers in my office on the subject of this Chattram is not complete and I do not therefore know how to find out the completion of the work is to be judged. If it is merely the building that can be applied to a gifted building, I should say that the work may be considered to be satisfactory after the plastering and the flooring are completed. But if there is any particular amount fixed for the value of the building should read on account of any previous decision that I am not aware of, it may be necessary to examine the building more closely to see whether the building is worth the amount that is required to be spent upon it".

Letter No.H.C.537 of 21-22 dated 30th April 1923, from the Deputy Commissioner, Bangalore District, to the Muzrai Commissioner in Mysore:-

---

"Adverting to your No.C.860/22-23 dated 29th March 1923, I have the honor to state that I inspected the late Dewan Banadur Raghunatha Rao's chattram, called Rai Rai Kollam Venkata Rao's chattram on the morning of the 29th instant along with the Amildar of Bangalore Taluk and Mr. Hari Rao, the successor of Dewan Bahadur Raghunatha Rao. The building is complete, only a few slabs in the steps leading to the chattram in front are to be arranged properly in order to prevent accidents and to prevent snakes getting into the crevices. The inner court-yard ~~year~~ which already existed has to be repaired in respect of flooring in some places. Water from taps has been provided. The chattram is being used now. Electric lights have to be put in. I have requested Mr. Hari Rao to get the slabs put in properly in the steps leading to the chattram, to have the flooring of the inner court-yard repaired and also to have electric lights put in. Mr. Hari Rao has promised to do all these things and the Amildar has undertaken to inspect the place later and report whether these remaining works are finished. There is a well near the chattram, which has to be completed. Mr. Hari Rao will probably see himself that the remaining portions of the work including the putting in of electric lights are completed early. He probably intends to have a formal opening of the chattram after installation of electric lights and to have the name of the late Dewan Banadur R. Raghunatha Rao also inscribed on a slab as a benefactor of the chattram. At present only Rai Rai Kollam Venkata Rao's name is mentioned as the founder of the chattram near the roof in front of the building.

I do not think further inspection by me is necessary as the building is almost complete and the small things that have to be done are not material and the inspection by the Amildar that I have suggested will do for those items."
